WEATHER

Generally fair tonight, Saturday; temperature same.

ANOTHER SALIENT ON WAY TO FIRST LINE TRENCH IS TAKEN

Today's Report Reveals Subscriptions of \$42,850 to Liberty Loan, Setting Record

TOTAL SALES GO TO \$272,800

More Than Half of Allotment is Taken as Only \$22,000 Remains to Reach Objective

THIS WILL NOT BE ENOUGH

Government Calls For Large Over-subscription, Saying That it Imperative

Woman Buys Bond With Money She Had Saved To Build New Home On Farm

A new home or a Liberty Loan bond? For many people the choice would not be a hard one and they would readily take the new home. But "many people" are not as patriotic as Mrs. John Nordloh of Posey township who purchased a one thousand dollar Liberty Loan bond yesterday with the money that she has been saving for several years to erect a new home on her farm. For some time, Mrs. Nordloh has planned to erect the new house, but when solicited by the two Posey township "loan drivers" she decided that the Sammies needed financial support right now more than she needed a new house.

Today's Liberty Bond returns show another salient taken toward the first line trench, the minimum allotment of \$495,000, with sales amounting to \$272,800 and a steadily growing subscription from day to day which promises that Rush county's oversubscription will be won long before the four weeks allowed for the national loan drive battle is completed.

Forty-two thousand, eight hundred and fifty dollars is the largest amount added yet during one day to the bond sales and that was added by yesterday's sales. Subtracting the subscriptions reported up to date from the county's quota leaves \$222,000 to be subscribed before the second line trench—a big oversubscription for Rush county—is set as an objective.

The statement received by Will H. Wade, vice-director of sales for Indiana, from the United States treasury department shows that this oversubscription must be made and that the loan drive must be kept going at top speed.

It reads: "Apparent government needs for immediate requirements are much larger than \$3,000,000,000 fixed by the secretary of the treasury. Imperative that you push the campaign for larger subscriptions. Continue going at top speed until end. Government asks for widest possible distribution of subscriptions."

Already this plea has given an impetus to the bond solicitors over the entire county. From every corner comes the report of the steady and patriotic work of the solicitors. And the canvass, a new thing for bond drives, is having results. A team from one township reported that every person in that township who was able to buy bonds with the exception of two had bought them. Some of the solicitors started out this morning and many others have not handed in returns to the banks.

Up until last night, eighteen counties in the state of Indiana had surpassed their minimum allotment and were working for an oversubscription. The steady growth of Rush county's subscriptions and the vigor with which the solicitors are making the campaign indicated that before

Women Move Toward Goal In Bond Drive

Today's Report Reveals Sales Amounting to \$49,150 Quota of \$125,000, Which is One-Fourth of County's Allotment. Returns From Most of Townships Show Success in All Parts of County.

"Forty nine thousand and one hundred dollars worth of bonds and still going," report the Rush county women who are working "hammer and tong" toward the goal of selling one-fourth of the county's quota of bonds which would be almost \$125,000 worth. This goal of one-fourth of the county's quota has been suggested by the fact that the women's apportionment in the state is one-fourth of Indiana's allotment.

This splendid total of four days sales made by and to women shows that Rush county's women are doing their bit big toward "keeping the Glow in Old Glory." It is the result of the patriotic vigor exercised by the women, not in one or two townships, but in practically every corner of the county where teams of women workers have started out with the determination to win.

Although using different plans in many of the townships, all are joining toward the goal of united success. Posey township women at the close of a one day drive yesterday reported that they have sold \$3,550 worth of bonds.

The returns from Anderson township show up as follows: Monday, \$650; Tuesday, \$3,700; and Wednesday, \$3,100. Noble township canvassers, too, have met with success and report a total of \$3,400 worth of bonds. Incomplete returns from Center township show that the women there have been hustling too and have turned in sales amounting to \$1,450. In addition to these returns, the bonds sold to women over the county by banks made a grand total of \$49,150.

Miss Anna Bohannon has asked that each of the twelve township chairmen send in a report each evening to her giving the total sales of the workers of that township. In turn she reports to the state headquarters. In response to the last report sent in by the woman's county chairman, Miss Mabel Pedigrew, vice-chairman of the woman's drive for the district, wrote a letter containing the following:

"You certainly deserve a great deal of praise for the wonderful results in your county from the women's part in the drive."

In several townships, the canvass has not yet opened.

The townships which have started the drive are, many of them, divided into four districts. The Posey township women appointed by Mrs. John Eaton, township chairman, to solicit sales there are: northeast district, Mrs. Stella Wood, Eva Leisure; southeast, Miss Emma Posey, Miss May Gardner; southwest, Miss Sue Woods; Miss Anna Collins; northwest, Mosseline Swain, Ella Macey. Miss Margaret Alaman and Miss Minnie Tribbey have canvassed Arlington.

KEEP INDUSTRY ALIVE

Money invested in Liberty Loan Bonds comes back to the worker and the manufacturer in pay for supplies necessary to the prosecution of the war. The farmer gets his money back in high prices for the things he produces. Buying Liberty Bonds is merely taking money out of one pocket and putting it back into another, with ample guarantee against loss in the transfer.

TAKE YOUR CHOICE

When the war is over, the average investor in Liberty Bonds will pay taxes the same as the man who owns no bonds. There will be this difference—the man who owns Bonds will also collect interest from the Government. The choice is before you.

AMERICAN LABOR FAVORS WAR POLICY

Delegates Confering With Allied Labor Heads State American Labor is Behind Government

WAR PROBLEMS DISCUSSED

(By United Press.)

Liverpool, April 12.—Anne Wilson, president of the pattern makers league of North America, acting as spokesman for the American labor mission today declared that "American labor is ready to extend its hand to the German labor as soon as peace is signed—not before." Up to that point, he said, "America will send its last dollar and shed its last drop of blood."

The American delegation came here to confer with the workmen of other allied countries on war problems.

"American labor was never before so united in the support of our government and its war policy, and it is going right through absolutely to the finish," declared Wilson.

LAST CALL FOR RED CROSS MEMBERSHIPS

Must Be Reported to Committee by Next Monday to Get Into County War History

MANY JOIN LAST FEW DAYS

"Last call for memberships," says the membership committee for the Red Cross war history with the announcement that memberships for Red Cross taken after Monday of next week can not get into Rush county's war history. The special announcement is being made for the benefit of a number of people over the county who do not belong to the society.

Red Cross cites that it will be a matter of regret in the future to be excluded from the membership roll of honor in the future to be excluded from membership roll of honor in the history which will be sent to former citizens of the county over have been pouring in for the last few days. It is not to be understood that persons can not join after that date. They may join but their names can not go into the publication.

SCHOOLS OVER STATE HOLD LOAN MEETINGS

Subscriptions to Third Loan Encouraged With Programs in Rural Schools

PATRIOTISM IS AWAKENED

(By United Press.)

Indianapolis, Ind., April 12.—Meetings were held in schools in rural districts throughout Indiana today to encourage subscriptions to the third Liberty loan.

The meetings were held under the direction of the Indiana school trustees at the request of the state liberty loan committee.

No solicitations for subscriptions were made at the meetings but the idea was to give those in attendance a comprehensive idea of the purposes of the United States in the war and to awaken a more patriotic spirit.

BUY A BOND FOR ARMENIA, SLOGAN

Special Relief Day Will Be Observed in Rushville Churches on Sunday Morning

MAY BE USED AS SECURITY

Bonds Will Be Accepted by Committee and Will Not Be Sold Until After the War

"Buy a bond for the Armenian-Syrian relief," is the slogan which has been adopted for this special relief which will be observed in all of the churches of the city Sunday, April 14.

Dr. D. Ira Lambert, pastor of the First Presbyterian church, is county chairman of the relief work as it is carried on in Rush county and is urgently appealing to everyone to respond liberally to the call of assistance from the starving people of these devastated lands.

Coming as the appeal does in the midst of the Liberty bond campaign, bond buyers are asked to purchase an extra bond to be turned over to the relief committee. The committee in charge of the drive state that they will be able to get food for the starving without throwing them back on the market. The bonds will be held as necessary security against drafts drawn and used for food purchased in Western Asia. Although bonds will not be sold until after the war.

"The gift of a Liberty Bond during the drive Sunday," declares Dr. Lambert, "will serve a double purpose—Liberty for our country and life for those whose existence depends on us." Special collections will be taken up in all of the churches for the relief.

RECEIVE AN INQUIRY ABOUT ORPHA GEORGE

Police Get Request to Hold Him as Deserter After He Has Been Taken to Fort

WAS HERE WITHOUT FURLOUGH

A communication from Fort Constitution, New Hampshire was received this morning by Chief of Police Yakey, giving a complete description of Orpha George who was arrested here as a deserter, and classing him as a deserter.

The description and instructions to look for him were evidently sent out from the fort before the telegram had been received from the local police asking about him. That he had enlisted at Greensburg on December 27, 1917, and left the fort on February 10 and had given Rushville as his home, was shown on the slip sent. The latter fact was thought to be the reason that the instructions to search for him were sent here.

Contrary to what George had told here, the instructions showed that he had had no furlough. He is being held in the Fort Benjamin guard house.

WILL DEPICT WAR SCENES

Moving Pictures to be Shown at the Graham Annex Tonight

The government war pictures which will be shown at the Graham Annex this evening are some of the most instructive as well as entertaining moving pictures which have been shown here for some time. War scenes taken before and after the invasion of the enemy in France will be shown and in addition there will be thirty-four slides on the Yosemite valley. The pictures will be shown at 7:30.

NOT AN ADVERTISEMENT

Industrial insurance is mandatory in most states. It is advocated by progressive thinkers and economists everywhere. Money invested in Liberty Bonds is the best guarantee of a business opportunity when the war is over—hence it is the best industrial insurance known.

IRISH CONVENTION PLANS HOME RULE

Conscription Bill Must be Submitted to Irish Parliament Before Becoming Law

TO CONSIST OF TWO HOUSES

(By United Press.)

London, April 12.—The plan for proposed self government of Ireland was adopted by the Irish convention 100 to 42, it was officially reported today.

The convention report provides for the establishment of a parliament for the whole of Ireland, with full power for all internal legislation, administration and direct taxation. Self government, the report says, is to become a law immediately.

The convention reports declares that the body voted 54 to 17 that any conscription must be submitted to that parliament before enforced. The parliament will consist of a senate of 64 members and a house of commons of 200 members.

FINDS AD FOR BOOK WHICH IS UNDER BAN

Samuel Finney Reads One About "The Unfinished Mystery" And Reports to Authorities

ALL COPIES ARE CALLED IN

The key to some German propaganda may have been uncovered here by Sam Finney who found an advertisement in the magazine "Forest and Stream" for the book, "The Unfinished Mystery," which the government has placed a ban on as being German propaganda. Not long ago a great deal of publicity was given to the book, asking that it be taken from book stands and libraries.

On seeing the advertisement, Mr. Finney immediately cut it out and gave it to the proper authorities so that the matter will be looked into. The material in "The Unfinished Mystery" is given under the guise of Biblical literature.

SHELL HITS A DAY NURSERY

Four Killed and 21 Wounded in Paris by Long Range Gun

(By United Press.)

Paris, April 12.—For persons are dead and 21 wounded, mostly children, as the result of shells striking a day nursery during the bombardment by the long range German gun. The bombardment has been resumed today.

STANDS FOR REGISTERING

Women of Rush county will have an opportunity to register tomorrow for stands will be stationed in many of the down town stores frequented by women where a registrar will explain the cards and aid any woman in filling them out.

HINDENBURG IN HOSPITAL

(By United Press.)

London, April 12.—Field Marshall Hindenburg is reported under treatment at a Strassburg hospital for a slight wound, said to have been caused by a bomb from an allied plane on the west front, a Zurich dispatch declared today.

BATTLE IS RESUMED AT ARMENTIERES

Germans Pass Loinsne and Lawe Rivers and Advance Toward Bailleul Northwest of Town.

ALLIES LOSE SOME GROUND

German Officer Taken Prisoner Says Orders Are to Capture Amiens Today at All Costs.

ENEMY PRESSURE CONTINUES

Haig Reports Position North of Givenchy is Regained in a Counter Attack.

Paris, April 12.—Successful surprise attacks in the Tahnre sector, where American artillery is engaged resulted in the taking of many prisoners, the French war office announced today.

With the British Armies in France.—The battle around Armentieres has been resumed with redoubled fury.

The enemy has passed the Loinsne and Lawe rivers, in the direction of St. Venant and are advancing beyond Viteeswick toward Bailleul, 7 miles northwest of Armentieres.

Some ground has been lost in order to conform to the movement to the south.

A German officer taken prisoner declared the Germans were ordered to capture Amiens today, at all costs.

London, April 12.—The British by a counter attack have regained their position north of Givenchy into which the enemy had forced their way. Field Marshal Haig reported today. "At other points there was severe fighting last night," the statement said.

"The enemy pressure is continuing. The enemy captured Merville last night."

"We fell back to new positions in the neighborhood of Nerve-Eglies." The British entered in the Flanders battle have been pushed back seven miles along the Lys river, it is shown by Haig's statement.

"A mile and a half east of Arras the enemy entered one post but was driven out by a counter attack," the statement added.

"Astide the Somme there was increased artillery fighting."

"Between the Loinsne and the Lawe rivers, and also to the north hostile attacks were repulsed."

From the LaBasse canal as far as Hollebeke fighting continues.

"South of Arras there were strong local attacks which were repulsed."

Crossing The River Costly

With the British Armies in France, April 12.—In the Armentieres area early today fighting appeared to be dying down following the British withdrawal.

Armentieres was threatened after the capture of Ploegsteert and the evacuation was ordered Wednesday afternoon.

Low flying airplanes participated in the fighting through the day. The Germans forded the Lawe river, wading across near Lescrem, but their exploit was extremely costly, the British machine guns slaughtering them in great numbers although they came wave after wave, and they were unable to advance beyond the village.

Edward Haylor, L. E. & W. freight agent at Muncie, was here yesterday on business connected with the trial of a law suit in the circuit court.

Mrs. Sarah Jackson of Greensburg, who came a few days ago to visit relatives at the home of her niece Mrs. J. H. Scholl, seriously ill.

GUARDING OUR LINES

Guarding our lines is like guarding our health—we must encourage the care of our bodies—train our organs for bodily endurance, efficiency and full achievement. It is not so much a necessity to fight disease as to cultivate health.

If we want to increase our chances for long life—Dr. Pierce, of the Surgical Institute, Buffalo, N. Y., says: "Keep the kidneys in good order. Try to eliminate through the skin and intestines the poisons that otherwise clog the kidneys. Avoid eating meat as much as possible; avoid too much salt, alcohol, tea. Try a milk and vegetable diet. Drink plenty of water, obtain Anuric (double strength) for 60c at druggists, and exercise so you perspire—the skin helps to eliminate toxic poisons and uric acid."

For those easily recognized symptoms of inflammation, as backache, scalding "water," or if uric acid in the blood has caused rheumatism, "rusty" joints, stiffness, get Anuric at the drug store, or send Dr. V. M. Pierce, Buffalo, N. Y., 10c for trial pkg.

GOSHEN, Ind.—"For many years I

have been a great sufferer with kidney trouble and rheumatic pains through my hips, extending down into my knees. At times I would be so stiff I could not get up or down. I also had scalding very dark colored and there would always be a sediment in it. I also had difficulty in voiding. Quite recently I learned of Anuric. I have hardly taken one bottle. I am feeling much better in every way than I have for some time past. I am sure I have found the right medicine in Anuric."

WILLIAM HARKER, 416 North Fifth St.

ELEVEN TO RECEIVE DIPLOMAS AT MILROY

Annual Commencement Exercises Will be Held Wednesday Evening April 24

REV. L. E. BROWN TO SPEAK

Eleven pupils of the Milroy schools will be graduated from the senior class of the high school at the commencement exercises which will be held Wednesday evening, April 24 when the Rev. L. E. Brown of this city will deliver the address. The baccalaureate sermon will be delivered Sunday, April 21 in the high school auditorium by the Rev. J. Ed Murr.

The list of graduates completing the high school course this year include Miss Mildred Anthony, Miss Lillian Harrison, Russell Harton, Carl Honey, Ralph Johnson, Wilbur Jones, Ray Kelly, Miss Ellendore Lampton, Henry Mauzy, Miss Fern Meyers and Paul Seright.

This Prayer Went Home!

Fred Hoke of Indianapolis is a real, live-wire sort of a church member. He is a good deal like the Rev. Billy Sunday when he gets warmed up, which he frequently does. He is thoroughly warmed up on the Liberty Loan.

Mr. Hoke is just as good a Rotarian as he is a church member. The other day he made a talk to the Indianapolis Rotary Club and he spoke of the spirit of America and the spirit of American soldiers.

"I'm going to tell you fellows a story," began Mr. Hoke. "They say it is permissible to tell a story to illustrate a point, providing not more than 6 persons in the audience have heard that story previously. So I'll take a chance."

"It seems there was an American soldier in France recently who was approached by a superior officer and commanded to carry some important dispatches on his motorcycle across some very dangerous territory. The officer told the Sammy that he would be in dire peril but that some one with nerve was wanted to carry the messages."

"The Sammy accepted the task cheerfully and as he prepared his motorcycle, he first knelt down on the ground beside the machine and offered up a prayer as follows:

"Oh Lord, now I don't give a damn about my own life, but, dear Lord, please help me to get through with these papers for my country's sake, amen."

"And I may say," added Mr. Hoke, "that if there ever was a prayer that went straight up to the throne of heaven, I believe that prayer did."

used by solicitors is a good one was evidenced recently when cards, almost identical with those being used by the solicitors, were received by local bankers. They were sent out by the government with the suggestion that they be used. The idea being used here was borrowed from Dearborn county and cards were made similar to those used in Dearborn. The plan of "keeping tabs" on Liberty bond subscribers and those who are able to buy and refuse to do so is evidently approved by the government.

Tendency of Motor Car Design

So many phases of American activities during War-time have been influenced and regulated through similar circumstances existing in European countries, especially our Allies, that policies laid down by those governments have been looked to largely by authorities here as the solution to many economic problems as they have materialized.

To give the automobile its proper place in relation to War-time activities, has for some time been a matter of public notice, and it has been frequently cited how the regulation promoted in England would be equally applicable here. But in the opinion of S. E. Ackerman, Sales Manager of the Franklin Automobile Company, wide difference in the use of automobiles in this country and in England throws an entirely different light upon the comparison. Automobiles have never attained the position in the daily life of England that is the case in the United States. England, with her 31,000,000 people, had, according to the latest available report, only 290,000 motor vehicles, an average of only one car to every 107 people in the country, while the United States has 5,000,000 cars, or one car to every 20 inhabitants.

"In New York State alone," points out Mr. Ackerman, "there are 400,000 motor vehicles to its 9,113,514 population, or 110,000 more cars than the total registration in England, with three times the population of New York state."

"It is plain, therefore, that motor vehicles in European countries bear but a fraction of the importance to the activities of the people as is the case with the United States, and every restriction on the use of automobiles in foreign countries is of minor consequence compared to the effect similar restrictions might have on the transportation problems of this country."

It is Mr. Ackerman's belief that authorities in the United States will put forth every effort to maintain unimpaired the extensive utility of the automobile, and rather than place limits upon mileage or fuel supply, the solution here will turn towards making automobile use more efficient, i. e., the total mileage will be maintained at considerably less expenditure of fuel, tires, and other supplies, through lighter weight, more efficient motor cars.

—Maurice Owens of Connersville, was the guest of friends in this city last night.

—Dr. Herman Jackman of Clarksville was a business visitor in this city today.

—Miss Helen Brant of Knightstown motored to this city last night with a party of friends.

—Miss Carrie Meade has returned to her home in Liberty after a short visit with friends here.

—Mrs. Omer Isaac and Mrs. Louis Hiner went to Greenfield today for a short visit with relatives.

—The Rev. and Mrs. C. J. Bunnell will go to Richmond tomorrow to attend the funeral of a relative.

—P. H. Lally of Michigan City is here visiting his daughter, Mrs. Maud Reed Waleott, for a few days.

—Miss Dora Monk of Shelbyville is spending the week in this city, the guest of her brother, Dr. W. H. Monk.

—Bert Hodge has returned to his home in Cain, Pennsylvania, after spending a week with relatives in this county.

—Miss Catherine Lewis will arrive this evening from Indianapolis to spend the week-end here, the guest of Miss Helen Reed south of the city.

—Mr. and Mrs. Lewis Kendall have returned to their home in Columbus, Ind., after spending a few days here, the guests of Mr. and Mrs. Fred Kendall and family.

—Judge Douglas Morris has gone to Cincinnati where he was called to meet Miss Blanche Morris of Newcastle who was taken ill while in the south and is returning to her home.

—The Rev. C. S. Black of the St. Paul's M. E. church of this city goes to North Salem Sunday, April 14, to preach the baccalaureate sermon for the graduating class there on Sunday night.

—Miss Dora Mull, daughter of Mr. and Mrs. Bert Mull, who has been under treatment at St. Vincent's hospital in Indianapolis for several weeks, was able to return home today.

—Miss Clara Westhafer who teaches in East Chicago public schools visited with her parents, the Rev. and Mrs. F. M. Westhafer at Arlington a few days ago, after visiting schools in Indianapolis. She has contracted for her ninth year in East Chicago.

—Mr. and Mrs. W. A. Alexander left today for a visit with their son Hubert Alexander who as a member of the mechanical department of the aviation is in training at the school in St. Paul, Minn. He passed the recent examinations with excellent results and expects to leave soon for another training school, to receive advance training in that branch of the service.

Victory is a Question of Stamina
Send the Wheat Most-Fats-Sugar
The Fuel for Fighters
UNITED STATES FOOD ADMINISTRATION

OFFICIAL FOOD NEWS

By Dr. Harry E. Barnard, Federal Food Administrator for Indiana.

Indiana is asked to go on a strictly wheatless diet until after the next harvest in a special appeal sent every county food administrator by Dr. Harry E. Barnard, federal food administrator for Indiana. This is in view of the serious situation resulting from the wheat shortage, there being but 40 per cent. of the nation's requirements available, and demands from the nation's associates in the war pressing.

For the purpose of getting into trade channels all the hoarded wheat in Indiana, Dr. Barnard has designated the week of April 8th as "Bring in the wheat week." County food administrators are asked to cooperate in the effort which, if unsuccessful, will be followed by a requisition of the hoarded grain.

Canned hominy is not a recognized substitute for wheat flour, neither is barley, puffed rice, rice polish, corn flakes nor fruited oats. The federal administration is preparing a list of breakfast foods recognized under the fifty-fifty rule.

The Indiana State fair has concurred in the suggestion of Dr. Barnard that fair associations this year withdraw their wheat product premium lists and offer prizes for the best articles made from substitutes. It is expected every other fair association in the State will fall in line with the idea.

Wheat or rye ground for stock feed is in violation of the federal regulations. The grains are needed for human consumption and a severe penalty attaches for their use in any other manner.

Families not observing wheatless days and meals are expected to conform strictly to the one and one-half pounds per week per person ration just promulgated by the federal food administration. In public eating houses the limit is six pounds to every ninety meals served, with a maximum serving of two ounces of wheat products per meal and no wheat products served unless specifically ordered.

John Ruger of Lafayette has joined the staff of the Indiana food administrator to have charge of all baking problems. A bakery inspector will be added to the staff, whose business will be an examination of shops, accounts, formulas, etc.

Every Indiana food administrator, demonstrator, merchants' representative or any one else interested in the important problems connected with this patriotic work is invited to attend the conference at the Claypool, April 8th. J. W. Hollowell, in charge of the State's administration section of the food administration, who is very close to Herbert Hoover, and himself a recognized authority, will address the workers. At the time a policy will be outlined in reference to a wheatless diet for Indiana until next harvest, as recently requested by Dr. Barnard.

County food administrators are authorized to give ten days' notice to farmers hoarding wheat to place their surplus over seedling requirements in trade channels. Failure so to do means the requisition of this wheat by the food administration. It is believed notice will be sufficient and that there will be no occasion to requisition Indiana wheat.

Thirty-eight milling firms in Indiana have been given until April 6th to apply for licenses under liability of prosecution for continuing business without so doing.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dizziness" and that lousy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded trails and how they "perk up" the spirits. 25c and 50c a box. All druggists.

CATARRH VANISHES

Here is One Treatment That All Sufferers Can Rely Upon

If you want to drive catarrh and all its disgusting symptoms from your system in the shortest possible time, go to your druggist and ask for a Hyomei outfit today.

Breathe Hyomei and it will rid you of catarrh: it gives such quick relief that all who use it for the first time are astonished.

Hyomei is a pure pleasant antiseptic, which is breathed into the lungs over the inflamed membrane; it kills the catarrh germs, soothes the sore spots, and heads off inflammation.

Don't suffer another day with catarrh: the disease is dangerous and often ends in consumption. Start the Hyomei treatment today. No stomach dosing, no sprays or douches; just breathe it—that's all. Ask JOHNSON'S Drug Store.—(Adv.)

BUY THRIFT STAMPS

The Little Blue Card

The card index system which is being used in the present Liberty Loan campaign in Rush county has already proved its worth as a bond salesman. So long as some people well able to buy bonds could slide through loan after loan without investing, they would do so but this plan calls for a showdown. That is just what it is bringing. A spade in this campaign as it should be.

Many stories are being related of the effectiveness of the little scheme which is bringing many a fifty and a hundred—in some cases thousand—out of its hiding place and putting it to work for the government.

In a certain township in Rush county a man flatly informed the canvasser that he did not want any bonds and that he did not intend to buy any. He made some further pertinent remarks when pressed by the canvasser for the reason. Then the solicitor pulled out his little blue card and began to write. Those of you who have seen these little cards remember that there is a space on them for "Remarks." What a significant word! Well, this solicitor began to scratch along with his pencil making "remarks." The anxious farmer inquired after the purpose of the writing. The solicitor explained. The farmer said he hardly thought it was anybody's business if he did not buy a bond—that it was entirely his own affair. The canvasser admitted that might be true but that he was instructed to report whatever comment was made. The man argued the question for a time but finally decided the canvasser "might as well put me down for a \$100 bond."

Consider Nutley.

Consider the case of Nutley! This is Nutley, New Jersey, we refer to. Nutley is a town of 8,500 souls, up until the war a common, ordinary town like Rushville, Connersville, Shelbyville or any other Hoosier commonwealth. But Nutley now has a national reputation.

How? By simply applying a little ordinary business sense to war drives and thus solving the problem of raising a fund every few weeks and having one "drive" after another. Some folks might say it is science, but it isn't; it's just sound judgment and business sagacity applied to war charities, which has become a part of our daily life.

Any town can be a Nutley because Nutley was still in the rut before somebody had the big idea. Why not make Rushville one!

Almost half of the inhabitants of the town contribute monthly to a common pool known as the Nutley Patriotic Fund. The monthly income thus derived is \$2,500. Collections are made by three hundred members of the Home Guard without expense. The town has been distributed just as Rushville has been districted for all war calls, and the average call per person is six.

There is likewise no expense connected with the distribution of the funds. There are no salaries or no overhead expense. The fund thus made available by the regular payments supports the ten active auxiliaries of the Nutley Red Cross chapter, requiring a monthly outlay of \$600, and meets all demands, for war donations.

Talk is not only the cheapest but the best kind of advertisement when properly used. That is one of the purposes of the Liberty Loan conferences being held in the sheriff's office in the court house each afternoon at two o'clock—to get business men, everybody, to TALK the Liberty Loan. There is no better way to interest people.

While the government is busy rotting out the hogs at Hog Island, it might also try its hand at locating those million hides said to have been retired from circulation by the packers. We all wear shoes.

First thing you know, George Creel will be worried about how to censor the talk at the knitting bees. He will be very foolishly if he even undertakes it.

SALES AND BREAKS LEE

LEWIS F. MILLER IS FOUND DEAD IN BED

Shelby County Man Related and Well Known in This County Succumbs Suddenly

HAD INFLAMMATION OF HEART

Lewis F. Miller, who is related and well known in this county, was found dead in bed at his home in Shelby county yesterday morning shortly after six o'clock. The deceased was 67 years of age.

He had suffered for several years from inflammation of the heart but during recent months his condition had improved to such an extent that he was able to go about his work as usual. The discovery was made by his small son who had slept in the same bed with his father. The funeral services will be conducted at the residence tomorrow morning with burial in the Hanover cemetery.

A nine and one-half pound girl was born to the wife of Curtis McGuire last night at their home in North Arthur street. Mrs. McGuire was formerly Miss Mary Sparks.

Three Rushville Men Emphasize Two Forms of Patriotism at Homer Meeting Thursday

PROGRAM OF MUSIC IS GIVEN

Another Event is Planned For Week From Sunday When Service Flag Will be Presented

The Liberty Loan drive and the War Savings Stamps campaign were presented from all angles at the enthusiastic meeting held in the Christian Union church at Homer last night when Donald L. Smith, John A. Tittsworth and J. T. Arbuckle made three stirring patriotic appeals to the large audience to support the government by loaning money in these two ways.

Mr. Smith talked on the Liberty Loan bond drive. In a comprehensive way, he explained the principles of the bond sale and finished with an urgent appeal to patriotism. The War Savings Stamps campaign was the subject of the talk made by Mr. Tittsworth who urged that the drive for these "Baby Bonds" be a continuous one. War conditions in general was the theme of the talk made by Mr. Arbuckle in closing the program.

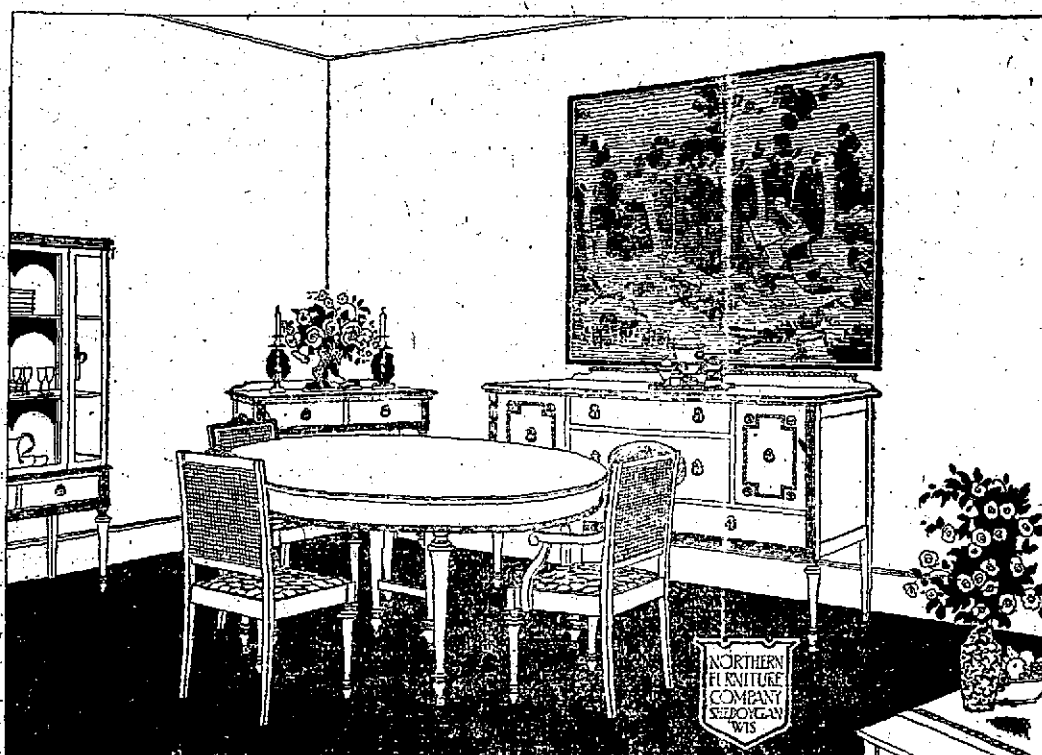

Two patriotic songs opened the program, "America" and "The Battle Hymn of the Republic." The Rev. Mr. Orr of the Christian Union church introduced the speakers and presided.

Another rousing meeting is being planned for one week from Sunday night when a service flag honoring all the boys of the Homer neighborhood will be presented with appropriate services.

Although subscriptions to the Third Liberty loan are being made continually, the drive proper to be made by teams of canvassers will not start until after the meeting, in that neighborhood.

An Army Must be Both Well Led and Well Fed.

Black Walnut Dining Suite
(Louis XVI Period)

This beautiful design follows closely the established Louis XVI models.

The woodwork is thoroughly seasoned and bears a rich, dull finish, very hard and durable.

The buffet is 61 inches long, with convenient receptacles for silver and linen. It is shown above with wood back, but may be had with mirror plate if desired.

The table is 54 inches in diameter, the beautiful turned legs and ornamentation on the rim match exactly with the buffet.

The chairs are probably the most beautiful design we have ever offered—full cane backs and genuine blue Spanish leather seats upholstered over durable springs.

This suit is only one of several new arrivals in period dining room suites and is moderately priced at \$165.00.

LANDING IS ANNOUNCED

Tokio Statement Says One Jap Was Killed at Vladivostok

(By United Press.)

Tokio, April 11.—Japanese marines landed in Vladivostok at dawn April 5 for the protection of Japanese residents following an attack upon a Japanese ship the previous day. It was officially announced today. One Japanese was killed in the attack and there were other casualties.

Disorder reigns in Vladivostok, it was said.

B. L. Trabue has been elected superintendent of the United Presbyterian Sunday school and will take up his duties immediately.

Stomach Misery

Get Rid of That Sourness, Gas and Indigestion

When your stomach is out of order or run down, your food doesn't digest. It ferments in your stomach and forms gas which causes sourness, heartburn, foul breath, pain at pit of stomach and many other miserable symptoms.

Mi-on-na stomach tablets will give joyful relief in five minutes; if taken regularly for two weeks they will turn your flabby, sour, tired out stomach into a sweet, energetic, perfect working one.

You can't be very strong and vigorous if your food only half digests. Your appetite will go and nausea, dizziness, biliousness, nervousness, sick headache and constipation will follow.

Mi-on-na stomach tablets are small and easy to swallow and are guaranteed to banish indigestion and any or all of the above symptoms or money back. For sale by Johnson's Drug store and all leading druggists. (Adv.)

Days Pickings

Miss Margaret Herkless who has been seriously ill with scarlet fever at the home of her aunt, Mrs. Charles Carson in Indianapolis during the past three weeks, is gradually gaining strength.

The case of the Terre Haute Brewing company against George W. and Frank H. Gray and Thomas H. New for \$3,000 on a contract has been sent here for trial on a change of venue from Hancock county.

The funeral services of William A. Posey, who died yesterday, will be held at St. Paul's M. E. church Sunday afternoon at two o'clock with the Knights Templar in charge, and burial will take place in East Hill cemetery. The funeral sermon will be preached by the Rev. F. M. Westhafer of the Arlington M. E. church.

Dr. E. K. Westhafer, whose parents live in Arlington, and who is surgeon of the 152nd Infantry, at Camp Shelby, Miss., was last week promoted from captain to major surgeon. He gave up a large medical practice to volunteer for service last August. He was then given a captain's commission over the medical corps, First Indiana Cavalry. He had lived at Newcastle several years before enlisting.

St. Paul's Methodist Episcopal church, the Rev. Clyde S. Black, pastor: Sunday school, 9:30 a. m., in charge of Smit H. C. Flint. Morning worship at 10:30 with sermon by the pastor, theme, "My Brother's Keeper." Junior League at 2 p. m.; Epworth League at 6:30 led by John S. Moore. No services at night due to union meeting.

A son has been born to the wife of the Rev. J. W. McPhail of the Methodist church of Gannonsville who is well known in this city.

DR. C. E. BACON LEAVES

Dr. C. E. Bacon, recently appointed to take the district superintendency of the Indianapolis district of the Methodist church, has taken up his duties and the Rev. Mr. Walker of the New Albany district has started in this district. The Rev. M. A. Farr, formerly of the Walnut Hills church of Cincinnati, has taken the New Albany district. The Rev. J. E. Murr of Milroy was nominated by Dr. Bacon for the place.

Mrs. Davis Kiser of St. Louis, Mo., who underwent an operation recently is improving and is able to return to her home. The operation is the third she has undergone recently.

He likes to take

Dr. King's Discovery
for Coughs & Colds

The pleasant taste of this famous 50-year-old remedy is one reason for its remarkable success. The kiddies like it, ask for it, and it does them good. Slightly laxative, too, and keeps them in good condition. Keep it in your medicine closet and give it to the kiddies for all forms of coughs, colds and croup. Just as effective for old folks, too, especially for grippe.

Get it at your druggists

Keep your Stomach and Liver Healthy
A vigorous stomach, perfect working liver and regular acting bowels, if you will use Dr. King's New Life Pills. They correct constipation—have a tonic effect on the system—eliminate poisons through the bowels.

SOCIETY

"Alaska" was the subject of the program at the Woman's Home Missionary society of the St. Paul's Methodist church at the meeting which was held yesterday with Mrs. Ned Abercrombie at her home in North Main street. Mrs. Clint Bodine led the devotionals after which several inspiring addresses on Alaska were delivered by members of the society. The program was in charge of Mrs. Raymond Hargrove and was closed by several musical numbers given by the society quartet.

During the business session which opened the meeting, the registration cards were explained to the guests, after which they were taken to fill out and return at the next meeting. A special collection for the home missions was also taken up at the meeting.

Mr. and Mrs. Pearl Wamsley entertained at the Seaman House last night with a prettily appointed dinner party in honor of W. B. Smith of Indianapolis. The event marked the closing meeting of the Thursday evening club for the spring and summer and the dining room was made most attractive with fragrant bouquets of sweetpeas combined with ferns and potted flowers. The guests included Mr. and Mrs. Charles Winship, Mr. and Mrs. Bert Osborne and son John, Mr. and Mrs. Dora Hilligoss, Mr. and Mrs. O. M. Harton, Mr. and Mrs. George Camp of this city and W. B. Smith of Indianapolis.

The convention of the sixth district Franchise Leagues will be held in the Christian church at Cambridge City tomorrow when practically every League in the district will be represented. Miss Betsy Edwards, of Shelbyville, chairman of the district will preside, and Mrs. Elizabeth Claypool East of Connersville will be among the speakers. Morning and afternoon sessions will be held at luncheon will be served at the church.

The home of Mr. and Mrs. Scott Hosier in East Eighth street was the scene of a pleasant social affair yesterday when the members of the Yomo club were entertained. During the afternoon the guests hemmed towels for the Red Cross and in the evening a prettily appointed dinner

The food administration program has been simplified now so that all the emphasis is being placed on wheat conservation. It has been asked that every meal be, in so far as possible, wheatless. There is a shortage in the wheat supply at present and the strictest economy must be practiced so that our allies and soldiers may be supplied. So many substitutes are now on hand and so many good recipes for using them, that no one has any reason for not using substitutes.

party was served to the members of the club and their husbands. The event was given in honor of the wedding anniversary of the host and hostess.

The members of the Immaculata sodality of St. Mary's Catholic church were entrained last night by the Misses Mayne and Loretta Rill at their home in West First street. At the close of the evening when the guests sewed for the bazaar which they will give next month, light refreshments were served. The next meeting will be held next Thursday evening at the home of Miss Margery Geraghty in West Second street.

Mrs. Demarchus Brown of Indianapolis will lecture to the members of the Monday Circle on some of Shakespeare's unfamiliar heroines at the meeting which will be held Monday afternoon at the home of Mrs. Robert Mansfield. The place of meeting has been changed from the home of Mrs. E. J. Wooden in North Morgan street.

The anniversary social of the Odd Fellows lodge and the Rebekahs will be given in the lodge hall Thursday evening, April 25. A program will be given and other special features are being arranged by the committee in charge of the affair.

The members of the Pirate Bridge club were delightfully entertained yesterday afternoon by Mrs. Donald Smith, at her home in North Harrison street. The guests included only the club members.

The home of Mr. and Mrs. John McCoy, in East Sixth street, was the scene of a prettily appointed dinner party last night when they entertained several friends. The table was made most attractive with a center bouquet of spring flowers combined with greenery and covers were laid for Mrs. Ella Osborne, Miss Helen Osborne, Earl Osborne, Mr. and Mrs. B. A. Black, the Misses Helen and Esther Black, Mr. and Mrs. Charles Caron, Cyril Caron, Mr. and Mrs. William Brown and Mr. and Mrs. Edward Caldwell.

Honoring Clifford Hardwick who will leave the latter part of the month for Purdue university where he will enter military training, a surprise dinner party was given last night at their home in this city by Mrs. Hardwick. The guests included Frank Tilley and family, Mr. and Mrs. Harry Vogel, Mr. and Mrs. Sam Ferguson, Mr. and Mrs. Herbert Holden, Miss Eva Mercer, Earl Vogel and Mrs. Mae Mitchell. Following the dinner party the guests motored to Carthage and attended the Liberty Loan meeting.

The meeting of the Dunning Music Study club was held Wednesday evening at the home of Mrs. Will Meredith in North Morgan street. Miss Frances Payne will have charge of the program.

Miss Ruby Davis, Miss Josephine Allen, Eugene Hall and Charles Brown of Connersville motored to this city on Wednesday evening and were the guests of Miss Elva Miller.

Plan Drive Next Week

Rush County War Mothers Hope to Complete One of Largest and Best Organizations in the State After Membership Campaign. Suggestions From State Conference

Rush county expects to complete one of the largest and best War Mothers organization in the state at the close of the county membership campaign which will begin next week.

Several Rush county war mothers attended the state organization meeting which was held in Indianapolis yesterday and received numerous suggestions concerning plans of organization to be adopted for the county campaign for a one hundred per cent membership. The meeting was held at Hollenbeck hall and the delegates to the convention enjoyed a most stirring and patriotic address delivered by M. E. Foley, state chairman of the Council of Defense.

The atrocities which have been committed on the women and children of Belgium and France were described by the speaker who praised the boys offering their lives to overcome the tyrant who permits these crimes in order that his selfish motives might be realized. Addresses were also delivered by C. V. Stansbury, deputy food administrator and by Mrs. James P. Goodrich who delivered the address of welcome.

Mrs. John Blackledge, county war mother, is getting the county forces organized for a meeting to be held at her home next Friday when plans for a complete county canvass will be made. Mrs. Blackledge is urging every mother in the county who has a son or a foster son in the service to join the organization, declaring it is behind the men in every movement and that it will help them not only while they are across the seas but will be a material assistance in the reconstruction work which will follow the war.

When the local organization is completed, its members will devote all of their meetings to work for their sons. The most important work they propose to take up as soon as the township organizations have been completed will be various ways of making money which will be put into Liberty Loan bonds for the boys.

Alex Levenstein of Shelbyville motored to this city yesterday on business.

How Do You Choose Your Corset?

When choosing your corset, it is well to keep in mind that all figures are not alike. The corset that fits you will not fit hundreds of other women. You should get exactly what you want when you buy corsets. All that's required is to decide to buy a good corset; you can't do better than

Gossard - Kabo - LeRevo

three of the foremost makes of corsets. These splendid makes are shown in all models. You have the front and back lace from which to choose. By this great selection you are sure of getting a corset which was made over a figure identical with yours.

LEREVO is now shown in all models. There are "Society's Corset" many women in this city who will be glad to learn they may secure these beautiful, perfect fitting corsets from us.

We make a specialty of children's first corsets which will be fitted. All of our medium and higher priced corsets are fitted by our expert corsetiere.

Fairbanks Here Tonight

From poverty and obscurity to a royal throne is a far jump for an American youth. And when the pretender to the throne objects to his occupancy and hires assassins to remove the new monarch, who is determined and athletic young man, there is apt to be considerable excitement. This is one of the threads of the new Artercraft photoplay by Douglas Fairbanks, "Reaching for the Moon," at the Princess theatre tonight which teems with sensational incidents and laughable comedy.

In staging this photoplay, Artercraft has gone to extreme limits, and the popular Fairbanks must have experienced a strenuous time, for in some of the scenes he is handled very roughly. How he really escaped with his life is one of the studio secrets. The locale of the story is Europe and America, and the magnificent settings, gorgeous costumes and strong supporting cast make this one of the most costly offerings Artercraft has yet issued from its studios.

A Thrilling Scene

Real peril attended the work of Carol Holloway, greater Vitaphone star, when pursued through the forest at night by a gang of outlaws, she was halted at the brink of a chasm whose sides drop hundreds of feet to a trail below. Her escape by running in the dark across a tree which forms a natural bridge, provided a gripping scene in the third episode of "Vengeance and the Woman," to be seen at the Gem theatre this evening. The scene was taken in one of the wildest spots of the Sierra Madre and shows the tree just as the girl reaches the other side, giving way beneath her weight and plunging into the depths.

When you have any butcher cattle call on H. A. Kramer, highest market price paid. H. A. Kramer, 2611

This War Must Be Fought On European Soil.

If the peoples of the earth are not to become toiling millions for the Prussian Junkers and the Prussian Krupps, if they are not to be terror-ridden slaves at the mercy of a German Kaiser's will, Prussianism must be driven back within its own borders and kept there.

Not only English freedom, French freedom is at stake. Our own cherished institutions, our free government, all that our fathers fought for, all that free peoples prize, is threatened by an enemy that would impose his own hateful Kultur on every free institution in every liberty-loving land.

That is why the war must be fought on European soil. We are fighting in Europe now that we may not have to fight in America, on the very thresholds of our own homes, later.

We are fighting for the safety and liberty of our children, our homes, our country. No price is too great to pay for Victory.

Americans, you are called upon to back our armies in France, to furnish them the guns and shells and ships and airplanes, the enormous quantities of every sort of supplies that they must have to defeat the Prussian armies and drive them back across the Rhine.

Rheumatism Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed pharmacists to guarantee it in every instance. (Adv.)

"Not a crack nor pinhole in it!"

Go to your windows now and examine the shades.

See if they are specked with those tiny holes and little ragged cracks that do so much to mar the looks of your windows. In

The Unfilled Grade of Bremlin Window Shades

you will find this great fault of the ordinary shade overcome. It is made of a closely woven cloth without that filling of chalk which in the ordinary shade so soon cracks and falls out in unsightly streaks and pinholes. Sun won't fade it—nor water spot it. Made in many rich, lustrous tones and in Bremlin Duplex. Come see it.

E. R. CASADY

NOTICE

State of Indiana, Rush County, ss:

In the matter of the petition of Nathan Arbuckle et al. for the improvement of highway in Walker township, Rush county, Indiana:

To the Voters of Walker Township, Rush County, Indiana:

You and each of you are hereby notified that notice was heretofore given that on the 7th day of May, 1917, sealed bids would be received for the construction of the above named improvement in Walker township, Rush county, Indiana. That at said time no bids were received for reason that the estimated cost of same was too low, whereupon the board appointed an engineer and two viewers to review said proposed highway, and said engineer and reviewers have filed their report in the office of the county auditor in which report they estimate the cost of said improvement to be \$23,443.75. Witness my hand and seal this 4th day of April, 1918.

WM. H. McMILLIN, Auditor Rush Co.

PAY TELEPHONE TOLL

Don't overlook to pay your telephone toll before Apr. 12 if you wish to avoid paying 15 cents extra for collection. No notice will be given by telephone. M. V. SPIVEY, Sec'y.

With The Churches

At the First Presbyterian church: 7:00 a. m. "quiet hour"; 9:30 bible school; 10:30 divine worship, sermon, "The Crisis in the Orient." There will be no evening service on account of the union service at the Main Street Christian church.

At the First United Presbyterian church Bible school at 9:30; preaching at 10:45 when the call of the Armenian and Syrian relief work will be presented and at the close of the service an offering will be received for the benefit of this work. At 6:30 there will be a meeting of the Y. P. C. U. after which the congregation will join in the union services at the Christian church at 7:30. There will be congregational prayer meeting on Thursday evening at the church at 7:30.

Manilla Methodist: Preaching next Sunday will follow the Bible school, which will meet at the usual hour. Preaching again at 7:30 p. m. Matters of vital importance should be participated in by all who can possibly be present. The government is expecting much from the churches. This exhortation applies to the meeting at Pleasant Ridge, at 2:30 p. m. also. F. M. Westhafer, minister.

At the Main Street Christian church Bible school Sunday morning 9:15 there will be a determined effort to take Trench 700 under the leadership of Captain Wilbur Stiers. Miss Hazel Lewis a National work-

DOUBLY PROVEN

Rushville Readers Can no Longer Doubt the Evidence

This Rushville citizen testified long ago.

Told of quick relief—undoubted benefit.

The facts are now confirmed. Such testimony is completed—the evidence conclusive.

It forms convincing proof of merit. Harrison Levi, 931 N. Sexton St., says: "I used to have to get up six or seven times each night on account of the too frequent passages of the kidney secretions. Often the secretions were scanty and they caused pain in passage. I also had severe backaches. Nothing ever did me any good until I began taking Doan's Kidney Pills which I got from Johnson's Drug Store. It didn't take them long to fix me up, the pains left and my kidneys again acted regularly."

OVER THREE YEARS LATER, Mr. Levi said: "I am glad to confirm my former endorsement of Doan's Kidney Pills for they have given me a permanent cure."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Levi had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Adv.)

NOTICE TO CONTRACTORS.

Notice is hereby given that the undersigned, the Board of Commissioners of Rush County, will receive sealed bids until 2 o'clock p. m. on Monday, May 6, 1918.

for the construction of the following bridges in Rush County, Indiana:

The Helm Bridge, Union township; The Deer Creek Bridge, Walker township; the Dick Flechart bridge, Rushville township, and the Humphrey Bridge, Richland township, according to plans and specifications on file in the County Auditor's office.

The Board reserves the right to reject any and all bids.

All bids must be accompanied by a bond and affidavit as required by law.

Witness our hands this 1st day of April, 1918.

Pleasant A. Newhouse,

John T. Bowles

John E. Harrison

Commissioners of Rush Co.

Attest: Wm. H. McMILLIN, Auditor.

April-12

NOTICE OF ELECTION

A meeting of the stockholders of the Rushville Co-operative telephone company, will be held in the sheriff's office of the court house in the city of Rushville, Indiana, at 7:30 p. m. Friday, April 12th, 1918, for the purpose of electing a board of directors and the transaction of such other business as may come before the meeting.

M. V. SPIVEY, Secretary.

Dated March 10, 1918, Rushville, Ind.

TO COLLECT BOOKS FOR CAMP LIBRARIES

Health and Recreation Committee of Woman's Division of Defense Body Has a Task

ITS FIRST DEFINITE DUTY

For the first time since the organization of the woman's section in the county council of defense program, the health and recreation committee of Rush county has been assigned a definite duty to perform. Mrs. Stephen Kelly, county chairman, has been asked to continue the collection of books for the camp libraries under the direction of the soldiers recreation committee.

Because the duties of this committee are to look after the health, comfort and recreation of the soldiers in army camps no assistance could be given heretofore because of the absence of large bodies of troops from this county.

Rush county has contributed freely to the drive which has been made for books for army cantonments but the constant demand for more books is still confronting the government, and has been so great that the recreation committee of the county has been asked to take the matter up and continue the solicitation of books, from all parts of the county.

Mrs. Kelly is making preparations to launch a second campaign for books similar to the one recently completed and is urging people who have such contributions for the camps to either send them to the nearest library where they will be sent to the War Service Libraries or to notify her and the books will be sent for.

er will be present to assist. At 10:30 the pastor will speak on "The Mind of the Master." At the evening hour there will be a union services of all the churches to hear an able address by Dr. Sherman Davis of the State Council of Defense. Thursday 7:30 prayer and praise service led by Mrs. Roy Waggoner. A welcome is extended to any or all of these services.

First Baptist church, C. J. Bunnell pastor, residence 612 North Morgan, Phone No. 1911, Sunday services as follows: Sunday school, 9:30; praise service at 10:45. The pastor will be out of the city over Sunday so there will be no preaching service. The church will unite with the union service at the Christian church Sunday at 7:30 p. m. Baptist Young Peoples Union at 6:30.

At St. Mary's Catholic church the services will be conducted by the pastor, the Rev. M. W. Lyons. Masses will be read at eight and ten o'clock in the morning with the vesper and benediction service at three o'clock in the afternoon.

The services for the United Presbyterian church at Glenwood will be Sunday school at 1:30 and preaching at 2:15.

TEACHERS TRAINING CLASS TO BE STARTED

Hugh Mauzy to Act as Instructor to Prepare Teachers for Christian Sunday School

EIGHTEEN MEMBERS ALREADY

A teachers training class at the Main Street Christian church will be started Sunday morning under the supervision of Hugh Mauzy who will act as instructor for the class.

Already eighteen members of the church, desirous of becoming proficient in the teaching of the various Sunday school classes, have signified their desire of becoming members of the class. The first session will be held Sunday morning at 9:15 at the church and the classes will be open to any member of the church who desires to attend. The New Standard for the teachers training course will be used during the course of study.

City Comfort for Farm Homes

You can be warm all over. You don't have to be roasted on one side and cold on the other. You needn't lug coal from the cellar and carry ashes down from upstairs. You needn't get up in the cold to build fires. You needn't spend time and elbow grease cleaning soot from the ceilings. You ----- But what's the use? You know the advantages of a furnace without our telling you. You've gone without a furnace for the same reason that you've stood for off-year crops—because you thought you must. House already built, cellar not suitable or too expensive to cut holes in the house and install pipes. Nothing to it. Those objections are dead as last week's war bulletin. Our wonderful invention makes furnace pipes unnecessary. The Caloric Pipeless Furnace can be installed in any house, new or old because there are no pipes to put in. You need only a hole for the angle register immediately above the furnace. The

(Patented) **PIPELESS CALORIC FURNACE** (Patented)

burns coal, coke or wood and is guaranteed to save 35% of your fuel. This enormous fuel saving is secured by means of our double ribbed firepot and high domed combustion chamber. Also there are no pipes to cause waste of heat. The double ribbing of the firepot enables us to secure unused spaces on the inside without sacrificing strength. The sunken spaces permit free air circulation so that the coal is thoroughly burned and it also prevents ashes collecting to decrease heat radiation. Our firepot by reason of its special ribbed design and the single register heats 10,000 cubic feet more than the ordinary furnace. This firepot is guaranteed for five years.

Our high combustion chamber provides for the burning of the carbon taking, ordinarily called soot, which otherwise would go out the chimney in the form of heavy black smoke. When you use the Caloric Pipeless Furnace you get heat in your house instead of soot on your roof. A clean house and a small coal bill. A further fuel saving is made by the fact that no heat is lost in pipes, but comes through one register and is distributed through the house. The Caloric Pipeless Furnace is also made in larger sizes for schools, churches, halls, etc. Just tell us what your heating problem is and we will show you how to solve it.

Look! Strong Guarantee!

This is our daring method of proving to you what the Caloric Pipeless Furnace will do for you. We do not expect you to believe the strong points about this furnace on somebody's say-so, and therefore we make a guarantee offer that heretofore was absolutely unheard of in the furnace business. Here is our proposition:

You put the Caloric Pipeless Furnace in your house, school, hall or other building and give it a fair test. Workmanship, material and heating results are guaranteed. If anytime during the first year you find this Pipeless Furnace unsatisfactory, we will correct it. Nothing can be fairer than this.

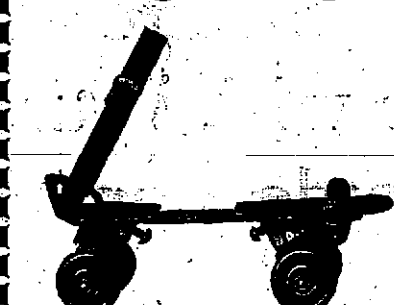

Come In to See It

You cannot thoroughly appreciate the Caloric Pipeless Furnace unless you actually see it. We can easily prove to you that this furnace will heat your entire house with no pipes and only one register. We also want to tell you about the strong Caloric guarantee that absolutely protects you.

LADY PINK TOES HAS HER INNINGS

There is no excuse today for women to have ugly, painful corns

For a few cents you can get from any drug store a quarter ounce of the magic drug, freemore recently discovered by a Cincinnati chemist.

Apply a few drops of this freemore upon a tender, aching corn or callus and instantly, yes, immediately, all soreness disappears and shortly thereafter the corn or callus so long that you lift it out, root and all, with the finger. Just think! Not one bit of pain, no itching, no burning, no stinging, no irritation, the freemore is the only safe and effective remedy for corns and calluses.

Couldn't Eat Pies or Meats

But Stomach Trouble is Gone Completely Since Indianapolis Man Took Tanlac

George Cooleedge, janitor at the St. Clair apartments, Indianapolis, Ind., used to have a lot of trouble with his stomach. Eating anything rich like pie or meat completely upset his stomach, he said.

"After eating rich foods like that, my stomach would burn for a long time, and hot water would raise up in my throat and mouth," Mr. Cooleedge said.

"There were lots of foods that made me have the heartburn too, and altogether my stomach was in pretty bad condition.

"I tried about everything but nothing helped me much. As quickly as I'd stop taking the medicines my trouble would come back.

"Well, I finally read in the papers about a case that seemed almost like mine and Tanlac had helped the person a lot. I decided to try Tanlac.

"Tanalac did the work for me. I only had to take one bottle. When I'd finished with that bottle my stomach was back in good condition and I wasn't bothered with any of the trouble I had had before.

"I haven't had a bit of trouble with my stomach since, either, and I want to recommend Tanlac for others."

Take Tanlac and get your system back in shape after the winter. Tanlac is an entirely vegetable tonic made up of roots, barks and herbs and it tones up and invigorates the whole system. You can get Tanlac at F. F. Wolcott's Drug Store or any other good drug store.

Try Tanlac. Rheumatism Treatment. It is helping thousands of rheumatic sufferers and will do the same for you.

Janesville Planters are Rush Season Planters---They Stand Up When You Most Need Them

More often than not—planting must be done in a hurry—between showers so to speak. You have spent many hours picking, testing and sorting your seed corn and many days preparing the seed bed. Delay cannot be tolerated.

The shaft drive running in oil and the simple JANESVILLE valves properly place the seed in the ground at any speed without breakage.

To save time and insure a good crop buy a JANESVILLE

SECOND CONFERENCE HELD

Township Bond Solicitors Discuss Their Work Informally

The second conference of Liberty Loan workers of this township in the sheriff's office yesterday afternoon was not as well attended as the first, but the results accomplished were just as good because an informal conference was held and the canvass discussed in a general way. One idea of the conference is for the solicitors to report on the obstructions they have met so that they may be overcome. Judge Will M. Sparks presided yesterday afternoon.

AMERICANS HAVE STRONG NERVES

Nervousness and Nerve Troubles on the Decline

"Nothing is wrong but your nerves," is a saying that is fast dying out in this country. While nerve trouble is no organic disease, one of our leading nerve specialists remarked: "A man or woman might better break a leg than have a shattered nervous system."

Overwork and worry drains the nerve cells of their reserve strength and food, and then follows the sleepless night, indigestion, poor appetite, impure blood and general nervous break-down.

The thing to do in such cases no longer troubles doctors and their patients who know from their own experience the value of Phosphated Iron. They know that a few weeks' regular use of this nerve food and red blood builder will strengthen and brace up the whole nervous system, because Phosphated Iron gives the tired, hungry, worn-out nerve cells phosphates and iron, in a form easily and quickly absorbed; as one happy user said: "You can almost feel it taking hold of the nerves and blood, after a short time you feel like a new person; life seems a pleasure and worth living once again."

In every section where Phosphated Iron has been used, there has been a big decrease of nerve troubles and it will prove a welcome relief to any sufferer. You can bank on it for results—it's pure.

To insure physicians and their patients getting the genuine Phosphated Iron we have put up in capsules only, do not take pills or tablets. Insist on capsules. PITMAN & WILSON and leading druggists everywhere, Rushville, Ind.—(Adv.)

MAY REACH QUOTA WITHIN TEN DAYS

Indications State Will Pass Minimum For More Than \$21,000,000 Is Already Subscribed

\$53,770,000 IS THE BOND QUOTA

Indiana Director of Sales Wants Prompt Reports to Show Progress of The Drive

Indianapolis, Ind., April 12.—Returns for the first four days of the Third Liberty Loan drive in Indiana, would indicate that the state will have subscribed its minimum of \$33,770,000 within the first ten days of the thirty set aside by the United States treasury for the drive. Up to 2 o'clock Thursday afternoon reports showed subscriptions in excess of \$21,000,000.

While this total probably represents much less than the actual distribution, it is all that has been definitely and authoritatively reported to state headquarters, and are the only figures credited by Will H. Wade, Indiana director of sales. It is believed that many communities, where communication is difficult, additional subscriptions have been taken, perhaps to a total of several hundred thousand dollars.

Requests for prompt reports have been sent to the county chairmen and it is the purpose of the state sales organization to keep totals as complete and up-to-date as possible.

It is evident, Mr. Wade asserts, should the present rate of subscriptions continue that Indiana will have made a proud record. Ten of the sixty-eight counties in the state had subscribed their minimum allotments and one of them had reached an excess of 35 percent.

Official bulletin No. 9 from the United States treasury department announces a purpose to maintain the organization in charge of the Third bond campaign as a permanent institution for similar services, for the period of the war.

THRIFT STAMP SALES APPROACH THE MARK

Receipts Daily Are Amounting to Between \$1,000 and \$1,200 in Offices

QUOTA FOR MONTH IS \$32,500

"The Thrift stamp sales are now touching the mark which they should keep all the year to make Rush county show up as the government has asked us to do," stated Postmaster G. P. Hunt today in commenting upon the remarkable advance in sales that have been noted since the beginning of the month. Every day during the month the sales have totalled between a thousand and twelve hundred dollars. These sales are made by the postoffices and do not include the sales made by the banks.

The county's quota is about \$32,500 a month, and counting out Sundays and holidays, between ten and twelve hundred dollars worth of the stamps will have to be sold daily by the postoffices to make the quota.

POPULAR SONG ACCEPTED

Mrs. Don Kennedy Writes "Sammy Boy"—To be Published

Mrs. Lon Kennedy of this city has received word that a song for which she wrote the words has been published and will soon be put on sale at music stands. The song is a popular one entitled "Sammy Boy" and the music for it was furnished by the Wiste Music company. After the song is put on sale, Mrs. Kennedy will receive a royalty from each copy.

IS THIS NECESSITY HERE?

Liberty Loan Committees in many communities have planned to publish the name of every individual who is able and who refuse to buy Liberty Bonds. In some instances, his tax return, including income, will be made public. What an indictment!

Mr. Robert Williams, Calensburg, Mo. December 27th, 1917.

Dear Sir:

You are right when you say in yours of December 24th that Senreco is a remarkably good tooth paste and that it has a strong story to tell, but the difficulty lies in putting that story in such language as will convince the public.

The Senreco story of a medicinal paste that not only cleanses the teeth but also keeps mouth and gums healthy, when put on paper does not sound very different from the story of just any ordinary dentifrice.

For that reason we make every effort to get the people to try Senreco. After that Senreco tells its own story — and fully 90% of them are Senreco users and boosters from then on.

There is a Senreco user in Pittsburgh who has introduced our product into the families of thirty-four of his friends. Enthusiasm? No, not entirely. Simply a case of Senreco making good. It is just as stated above. If they will try Senreco — if they once become acquainted with a real dentifrice — with what a dentifrice can and should be — they are Senreco boosters from that time on.

Your druggist or toilet counters can supply you with Senreco. It comes in large, two ounce tubes and retails at 25¢.

Why not get a tube to-day? Try it. We stand behind every package of Senreco with a money-back guarantee.

Very truly yours,

SENRECO, CINCINNATI.
